when one Bank manager shows himself so really to k place. extraordinarily oblivious to the customs of terised the case put forward by the defendants as regarded as doing the public a service and Mr. Pollard here appealed to the Court wheought not to be left in the lurch and made to ther he had overcoched the bounds of lienna pay heavy costs, when he has proved himself allowed to counsel. he brings his action to be the aggressor. In stopped him,

Courts which induces many men to accept any men then drew attention to the refusal of Mr. For Shanghai, -Per Niphon, To morrow, the illusage or lose rather than trust their affairs | Shaw, to answer the questions put to him, whether Mr. Turner called out "at op thief" or not, and he to the unfathamable cuprices of jurymen. maintained that the defendants from their That any side in an action espoused by action in the matter, were not in a position Mr. Polland, should win in Hongkong is to claim the money from the his elient or only natural. (In this case the defendant has anyhody else, as plaintiffs. These circumstances, been let down so easily that looking at the and the fact that Mr. Show and Mr. Turner merits he may be said in escaping the knew nothing about the payment of the notes, payment of damages and plaintiffs costs to reept what they were told by the shroffs, justihave achieved a triumph.) It is natural not so much because of Mr. Pollands unques- for assault had been commenced against delentionable cleverness, as because everybody in dants, and that looking at the case thoroughly, court, judge, jury and the counsel on the the jury and put no faith in the three shrofts. MR. W. H. Bell will, from and after the let other side, seem in some incomprehensible. He also pointed out the distinct denial of the manner, frightened of him. He seems to plaintiff, that he refused to accept the notes, which ment and control of the Printing Office of this take them all morally, by the ear, and to ask it was asserted by defendants had been officed in

payments, except for subscription to the Daily payments, except for subscription to the Daily it is that everybody in court—judge, jury and the Overland Trade Report, will be a good and sufficient discharge.

After the sentence was passed on him oir, Asoy the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course was passed on him oir, Asoy the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course which was then proposed—(flear, hear) —and that circumstance afforded the best possible course for the successful completion of the course for the course for the successful completion of the course for the air of feebly apologising to him and of dis- compassion for him than Mr. Shaw had for Mr. "Heaven," and on the question being repeated work in which they were then engaged. He had agreeing with him as little as possible. Then he does things in court which, if they were done by other people opposed to him, would induce him to blow the roof of the court off, to jump down their thronts, to dive at, grallto jump down their thronts, to dive at, grab- and laid it down that if the notes had legally refused to tell the name of his native place. Pri- tors of the bank or should be assisted by one of ble them, and bolt down the street in the became the property of the plaintiff, the assault some of a Triedsociety and he believe. the directors. It was not however, thought addirection of the nearest water tank at the was most unjustifiable. On the other hand, that is the reason of the discoprate with which he wiendle to adopt that source, but although the livery least. Thus during this trial just over if the notes had only been given over for treats the court. when Mr. Shaw was under cross examination counting, the defendants were justified in He was sentenced to one months imprisonment was satisfied that that gentleman would receive The decision in the great assault case which by the Attorney General, and he was being being a certain amount of force to recover with hard labour.

The decision in the great assault case which by the Attorney General, and he was being possession of them. It was stronge also, that the compradores order and not been introduced the compradores order and not been introduced

Court and seven Hongkong merchants, for \$20,000 were carried off by Mr. Anderson, into Court up to that time. The question howthree days, ought to the the right one, if a advanced either while they were in the hands ever for the jury to consider was one of payment right result can ever he secured in a Court of of the police or ofterwards, any claim to thom or non payment of the money, and whether the right result can ever is secured in a Court of Justice, by laying on the first foreasic talent obtainable and an extra amount of intelligence in the jury box. It is true that to an impartial observer, it is not easy to follow the train of reasoning which has conduced the train of reasoning which has conduced the train of reasoning which has conduced the police or ofterwards, any claim to thum notes in the money, and whether the noney, and whether the noney, and whether the noney, and whether the none had been paid before the bank stopped, as his property, Mr. Polland seeing the distance of this bank was held on the 22nd inst. At the London Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the voluntary winding up of the london Tavern, for the purpose of adopting a resolution for the london Tavern, for the with the jury to the result we see. That a in upon a cross-examination to put an ingenie the satisfaction he had felt, by having the cases. The Chairman Col. Holland said, that the with the jury to the result we see. That a in upon a cross-examination to put an ingent the satisfaction he had felt, by having the asset. The Chairman Col. Holland said, that the tance of two learned connection which he had then to move, had for the plaintiff was manifest at an early is absolutely monstrous. The little incident drew attention to the absence of Mr. Tarner from been framed in strict compliance with the ior the plaintiff was manifest at an early stogo of these proceedings. The judge indeed three occurred in one of the three out a suggestion as sace as the plaintiff and during service. To describe it as a that it might be better for the counsel to give that it might be better for the counsel to give the correction of the counsel to give that it might be better for the counsel to give the correction of the counter of the winding of the counter of the counter of the winding of the counter of the counter of the counter of the counter of the winding of the counter of the winding of the counter of the counter of the winding of the coun their consent to some mysterious legal formulate to the occasion. It was an out but with regard to the value of the evidence of the evidence of the evidence of the formulate to the occasion. It was an out but with regard to the value of the evidence of the shrofts oilled on either side, it was nullified poss in conclusion was as follows:—"Whereas, ing nature. OTICE is hereby given that the Company smalled to "take a verdict." At that time nor Athorney General seemed to have by being contradicted in both cases, and like and it is resolved, that it has been proved to none of the evidence for the defence was the courses or presence of mind or whatever Lordship thought it strange that the shruff should estisfaction of this meeting that the compay canshop, a large Smithy and Carpenter's Work- of Mability under the provisions of "The Conphone, and the Works are superintended by Real large Provisions of the court, but the judge probably went quality it is, which would have enabled them then informed the large that in such a court of the court, but the judge probably went quality it is, which would have enabled them then informed the large that in such a court of the court, but the judge probably went quality it is, which would have enabled them then informed the large that in such a court of the court, but the judge probably went quality it is, which would have enabled them then informed the large that in such a court of the court, but the judge probably went quality it is, which would have enabled them then informed the large that in such a court of the court is before the court, but the judge probably went quality it is, which would have enabled them the court in the court of the court is the court of the court of the court in the court of the cour

Agra and Masterman's Bank An extraordinary general meeting of the share-

company and appointing Mr. H. H. Cannau, of considerable cheerings the firm of Kemp, Cannan, Ford, and Co., as The Chairman Col. Holland said, that the resolution which he had then to move, bad been framed in strict compliance with the provisions of the Act of Parliament. If an

order were obtained from the Court of Chancery for the voluntary winding up of the . The Canges and Succeade have both come company there was nothing in the resolution to in from Shanghai this morning with dates to prevent them on the very next day from respen- the oth and 6th. The news is not of a strikpose in conclusion was as follows: - Whereas, ing nature. d it is resolved, that it has been proved to the entisfaction of this meeting that the compay cannot by reas in of its limbilities continue its business. and that it is advisable to wind up the same; and it is forther resolved that the Court of Chancery' be amblied to for an order for the voluntary winding up of the company under the supervision of the Lake. Mr. Connan read the following "approximate statement of the affairs of the company on the 6th

of Jupe, 1860 ."- Estimated amount of linbilities in London, £5,356 032. Against this there were ing to £5,227,552, showing a definiency in London which will not ensity be forgotten. Over-night not the branches-Paris. India, China, and Austra- bove in sight at an early hour in the morning. value of the practs at all the branches, after deducting £334,000 loss, was £3,820,915, showing a surplus at the branches of £1,279,054. The total inbilities were £7,908,893, and the assets £9,057-Cheers.)

ne, although that was a minor consideration, he peasessed some interest in it himself, he had been required by neveral altarchalders to attend the So far, however, the hugging appears to have made in vain, with a view to bring the affaire of the hank to a satisfactory conclusion. (Hear, hear.) They were all aware that it was imposthese gire imstances the first, and indeed substanof the aff airs of the company under the supervision of that Court. It was impossible to exact. from every window and balcony which commun. ing. The only alternative, practically speaking. wheated the approach to the steamer, would be what was called a compulsory winding angle one of whose six esti companies is as 1871 applied while some that companies is still as a

Charcary; that if that application were supported for neglected at Garibaldi's feet to stick in the by the unual was or the almost unanimous, recommendation of the shareholders and of the pride with which each one marghed away with his creditors, it would be granted as a matter of truphy, I felt that I was doing them a great intors -one to represent the company and the other will the outward appearance of the men was not all and that these gend then might at once proceed would have been puzz'ed to find any fault with the assets to the ratisfaction of the graditure, and to active fellows. In Coloned Bruszesl, who has hand over the surplus to the charcholders. (from, shared all the most eventful enterprises and date hear.), And all that would require the suployon behalf of the shareholders, and the other on hehalf of the creditors; and the whole business might is to be made our of the taw material, cable or even a morivable in a prioreding of that magnitude. (Hear; hear.) The result he believed. would then be that after no great hapse of time - rounded by swarms of country look in small boats. and he should say in passing, that from the numher and the distance of the branches and agencies | content to have thrown her offering to Garibaldi of that bank, they must not be too sanguage with lev a though it should fall into the water far short tespect to the limitation of time—the result, he of its mark. believed, would be, that after no great lapse of time, the as ets of the bank would be realised, and not only would the grediture be paid in full, but a sum would be placed at the dispasal of the abuteholders mafficient, if not to remedy all the evils that had fullen upon thom, at least to meet a great portion of their great exp cratinas. But the great object they should for the mument have in view will to avoid any dissension which could prevent the attainment of that desirable and. He knew he was addressing a number of gondemen who had suffered most severely from the failure of the bank, an ! some of whom might enterpain suspigions that there had been mid minogement; that there had been some things done of which they had good ressor to complain, and into which they were undoubted'y entitled in it quire, and who might wish at unce to proceed to such an inquiry. He could allow for their auxiety monthat subject ; but if the meeting desired that that great crit should un far an passible be rediened, it they desired that the assets should, with the least practicable amount of itelay, he realised lie would earnestly urge upon them to postpone for the present all inquiry of any kind into the affairs of the bank, and to proceed at arce to decide upon the immediate question, which was submitted to them in order that the first sten for the voluntary winding up of the company might be taken. (Cheers.) They

had heard the antenient which had been nade to

them by their accountant. He had felt it his

In conclusion he had only to state that he heartly supported the resolution which had been olders of this bank was held on the 22nd inst. at submitted to the meeting. (Loud cheers.) The resolution was put at once, and upon a the London Tavern, for the purpose of a lopting ! a resolution for the voluntary winding up of the show of hands was unanimously carried amilist

The Shanghai Mail.

Garibaldi on the Lake of Como A letter in the Daily News from Hellagelo on the Lake of Como, dated June 14th gives the following account of Garibaldi's 'recent progress up the

By the dwellers on the shores of the Lake of Comp, and by the few strangers who, proof against heat and war rumours, were still sujaurning amongst them, and fortunate enough to share with them the spectacle of Garibaldi's trimmphal progress from Uomo to Lecco, yearerday was a day of £128,440. The total amount of liabilities at all a word had been whitpered of (laribuldi's intended . lia amounted to £2,550, 61, and the estimated with the general on heard, had any living soul hers an inkling that he had left Como. Yet, within a few minutes half the population was down on the shore. flags were heleted everywhere, cannon were firing, and the village band, baving £50,000, of three-fourths of the capital of the bank. The Challenge dress to its instruments and E30.000. of three-fourths of the capital of the bank.

The Chairman said he had next to request playing the well known hymn as the steamer drew playing the well known hymn as the steamer drew and of great experient and known both as a morald, and as one of the first lawyers in Europe, to be so good as to address the meeting.

The Chairman said he had next to request playing the well known hymn as the steamer drew up to the landing-place. If, in spite of the very necessary procautions which are taken to will character to be so good as to address the meeting. of him, how would it be if his plans were generally. newed cheering and proceeded to say that as it known beforehand? As it is, although his apbad fallen to his lot in have become the trustee penrances are arranged so as to be a great a surfor a family largely interested in that bank, and to his friends as his descents on their consts to his enemies. Caribaldi seems, after all, to run presented form interest in the first interest interest in the first interest in the first interest in the first interest interest in the f

cupations he had felt it his bounden duty to agreed with him wonderfully, for Garibaldi looked agreed with that request, (Cheera.) They had assembled for a very important purpose; they had assembled to determine as the country to triumphalents in Company Monday in the country in the country of the country in the country had assembled to determine on the course to be triumphalentry in Come on Monday. His volumteer buth seems to have fresheard him up marpursued, and he haped their efforts would not be vollously, and he hake now as full of work and spirits as he looked then out of heart, and bored. . The reception at Lacas was, if possible, even more enthusiastic than that accorded to him two! the aid of the Court of Chancery, which alone still fully a quarter of a mile from the shore, and the assembled repulses a mile from the shore, and these circ imstances the first, and indeed substantially the only, proposal to be made to them that day was that they should agree to a resolution—and he cannestly trusted they would do so unanimously—affirming that the Court of Chancery landing-place. All along the quby, which was landing-place. All along the quby, which was and he removery in that the Court of Chancery lined by the 3d Regiment of Volunteers, the wild-should be applied to for a voluntary winding up est enthusiasm reigned, and as Garibaldi stepped est enthusiasm reigned. aghere flowers were showered down upon him
